

Bristol-Plymouth Regional Breakfast with the Easter Bunny

The National Team at Bristol-Plymouth Technical School hosted a Pancake Breakfast with the Easter Bunny as a fundraiser for nationals. All students who are attending nationals were present to help with the raffle baskets, which were donated by family members, bake sale, serving and cleaning up. The Easter Bunny costume was rented at a local costume shop so that pictures of children could be taken with him. This event generated a lot of funds for little work! Mrs. Sylvia and the chapter officers could not believe how many people attended, and estimates that approximately 250 were present from 9 a.m. to 11 a.m. The chapter made \$1,300.

Tickets for adults were \$5.00, children 12 and under were \$3.00. Bake sale items were sold at anywhere from .25 cents to \$5.00. Raffle tickets sold for a dollar a piece or six for five dollars.
